

2014 SPONSORSHIP OPPORTUNITIES

Last June, the Milwaukee Justice Center raised more than \$8,000 to help provide free legal help to Milwaukee County residents who were facing our court system on their own. This year, we aim to make an even bigger dent in the list of unmet legal needs in our community, and we need your help to do it.

The Milwaukee Justice Center utilizes volunteers to address the unmet legal needs of Milwaukee County's low-income, self-represented litigants through court-based self-help clinics and legal resources. In 2013, the MJC added two important new services.

First, we added a Family Law Advice clinic three days per week. With family law issues being the number one category of law we see litigants in need of assistance with, it made sense to expand the level of help we could provide, and we're glad to

have the help of the Leander J. Foley, Jr. Matrimonial Inn of Court in this endeavor.

Second, we added the Milwaukee Justice Center Mobile Legal Clinic, to bring our help to those who need it, but can't easily get to the courthouse in order to access it. And a very generous gift from Frank Daily and Julie Ebert in honor of Michael Gonring helped make that happen.

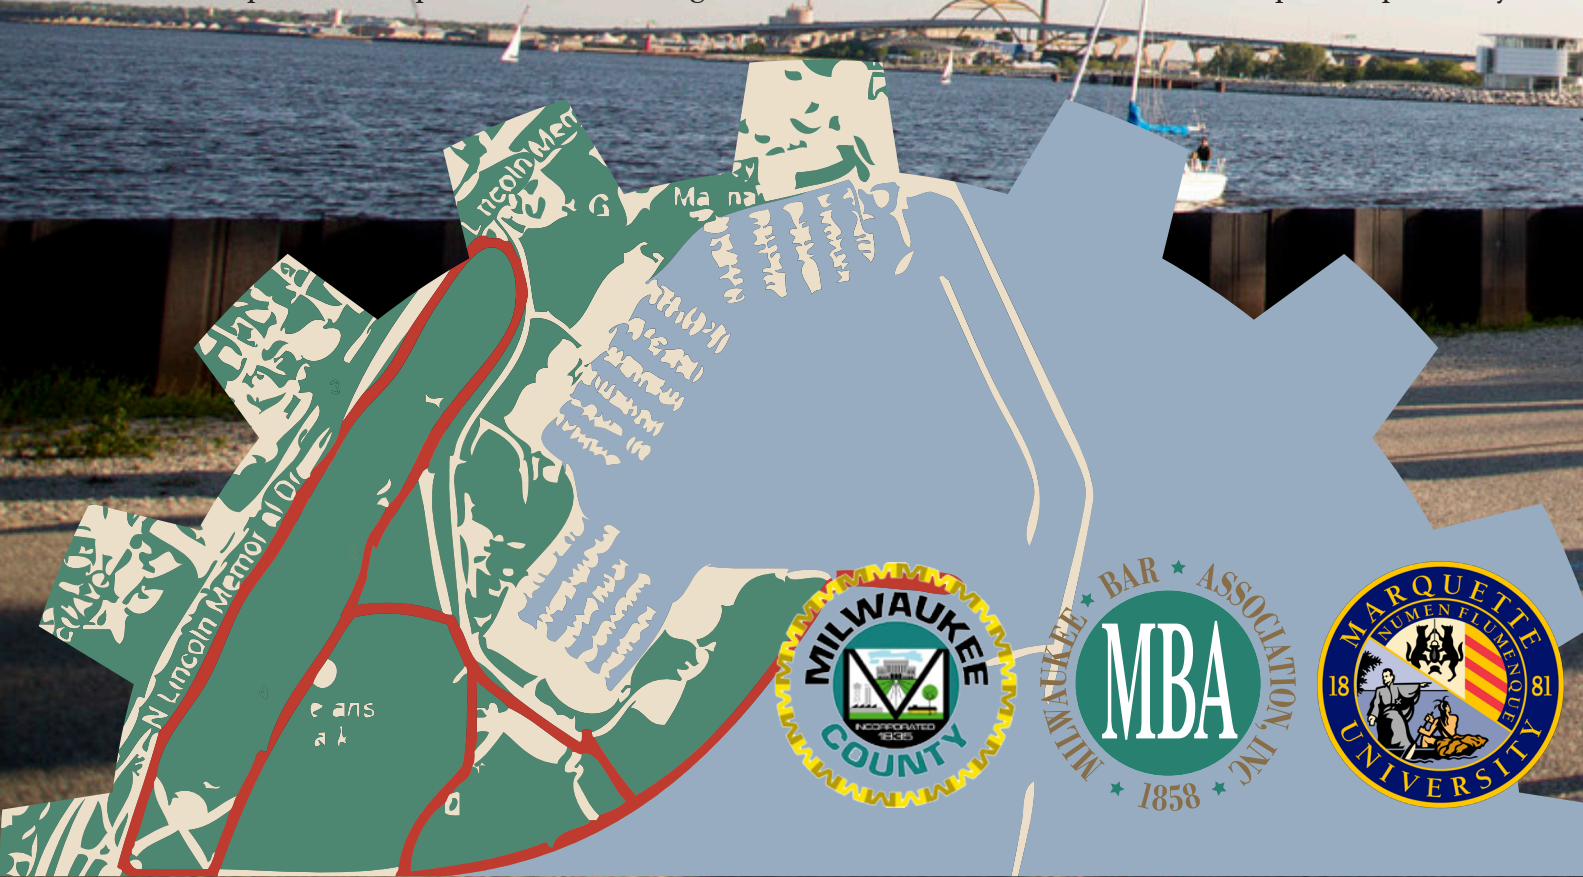

We don't want to stop there. And that's where you come in. As we discover more legal needs in the underserved communities of Milwaukee, we want to be able to step up and say "count on us." Your sponsorship of the MJC5k Run for Justice brings us one step closer to being able to stand up and take on the next need of Milwaukee County. Put shoes, on your shorts, lace up your and help us help our city.

"I call it a one-stop shop for information. The real benefit is that [litigants] have somewhere to go to get some help so they can adequately represent themselves."
